Summary

Full-stack Laravel developer with 3+ years of experience building scalable web applications at Satoripop and for freelance clients. Proficient in Laravel, Filament, Livewire, and Tailwind CSS, I deliver clean, maintainable code for enterprise-grade systems and custom solutions. Skilled in Agile workflows, REST APIs, and MySQL, with a focus on performance and user-centric design.

Experience

Satoripop
Web Developer
August 2024 – Present
Sousse

- https://www.satoripop.com/

Develop and maintain enterprise-grade web applications using Laravel, Filament, Livewire, and Alpine.js, enhancing performance and scalability. Build internal dashboards in Agile teams, reducing feature delivery time by 20%. Refactor legacy codebases, improving maintainability and test coverage. Collaborate with designers, PMs, and clients to deliver user-focused features

Satoripop
Web Developer Intern
January 2024 – May 2024
Sousse

- https://www.satoripop.com/

Built a Laravel-based admin panel for a final-year project using Filament PHP, streamlining backend workflows. Mastered company processes, delivering a scalable application under tight deadlines.

Local Clients
Freelance Web Developer
2020 – 2024
Ksar Hellal, Tunisia

Developed and deployed 10+ full-stack Laravel applications, including booking systems, CRMs, and inventory tools, for local businesses. Managed end-to-end project lifecycles, from requirements gathering to QA and support, achieving 100% client satisfaction. Optimized performance using MySQL and REST APIs.

Satoripop
Web Development Intern
Summer 2022
Sousse

- https://www.satoripop.com/

Contributed to two internal PHP projects using Laravel and CodeIgniter, implementing MVC patterns and REST APIs. Streamlined version control with Git, enhancing team collaboration. Improved debugging efficiency, reducing issue resolution time by 15%.

Education

Institut Supérieur de Gestion de Sousse (ISG Sousse)
2020 – 2024
Bachelor's in Business Intelligence

- https://isgs.rnu.tn/

EPI - International Multidisciplinary School
